

The Leah Chase School to Remain Closed Friday in Response to Hurricane Francine

Dear TLC School Families,

NOLA Public Schools (NOLA-PS) conducted building inspections of its school facilities in the wake of Hurricane Francine in order to determine a reopening plan following the storm.

Due to operational challenges, the district has determined it is in the best interest of the community that all schools, including The **Leah Chase School, remain closed on Friday, September 13.** In addition to power outages, building impacts, and staffing issues with bus companies, the city has asked residents to conserve water to prevent sewer backups.

The health and safety of our students, staff, and families are our top priority. We recognize that many families are dealing with power outages or home damage and encourage everyone to focus on their safety and recovery.

It is our hope to resume normal operations on **Monday, September 16.** We will keep you posted with any updates as they arise.

Thanks so much for your cooperation and understanding during this challenging time.

Sincerely,

Crystal LaFrance, Principal

The Leah Chase School
